The Class of 1947 proudly presents the thirtieth edition of the ECHO. It is difficult to encompass four years of high school life between the covers of a book, but by means of a panorama of activities, organizations, and events, this volume attempts to capture the spirit of the Class of 1947 as well as to add an inspirational chapter to the history of the Chambersburg High School.

Dedication

On the youth of America is placed the burden of the future. It is they who must strive to realize those ideals which have been nurtured through the centuries. To these future leaders in their quest for knowledge and their zest for achievement, we, the Class of 1947, respectfully dedicate this thirtieth edition of the ECHO.

In Appreciation

To Mrs. Eleze P. McKenzie and Mr. Robert J. Beard, who served as our advisers during the four years of our sojourn in the Chambersburg High School, the Class of 1947 expresses sincere thanks. They have given unstintingly of their time and energy to promote our activities. May we prove ourselves worthy of their guidance.

MEMORY BOOK

The ECHO is the "memory book" of your happiest days, and as the years pass, you will find yourself leafing through the pages of your yearbook and recalling the varied experiences of high school life.

It is a very much appreciated privilege for me to extend to each of you my sincere congratulations on the completion of your high school course and on the production of this most creditable yearbook. My very best wishes go to you, and it is my hope that in years to come as you glance back upon these pages, you may be reminded continually of my personal interest and of my desire that your high school experiences may reflect themselves in your lives in the form of success, happiness, and real merit.

Your school life has been one of growth and development, a vital requisite for success, happiness, and worth. May you continue to "increase in wisdom and stature, and in favor with God and man."

Cordially yours,

(Signed) J. FRANK FAUST,
District Superintendent.

Americans

What a wonderful privilege it is to be an American and to be surrounded by all the liberties that American life gives to those who live under the Stars and Stripes. Young men and women going out into the world to make a living and to earn a name for themselves frequently fail to realize and appreciate the blessings which the Constitution of the United States bestows upon them. They take these blessings for granted, unmindful of the fact that many liberties are denied those living in foreign countries.

To what extent do you appreciate the privileges you enjoy under the American Constitution? What are you doing to justify your being called an American citizen? How are you trying to better the life of the average man or woman? If you do not do all you can to make a better America, certainly you are not entitled to any advancement or betterment. Honor goes to those who deserve it, and preferment is given to those who actually perform.

Cordially yours,

(Signed) RALPH I. SHOCKEY,
Principal.

WILLIAM BLAKE

Class Yell

Our class colors proudly fly;
Blue and Gold float on high;
In our hands the future lies;
To our goals on wings we rise.
'47! '47! '47!

Class Song

Words by EUGENE HOLTRY
and RICHARD KRAMER

Music by EUGENE HOLTRY

We're flying high the Blue and Gold;
With ambition we will rise
To accomplishments yet untold;
In union our full strength lies.
As we truly climb to new heights,
As we cling to what is right,
We always work in unison;
For achievement we will fight.

We soar on wings of Blue and Gold
To destinations high;
A noble band so brave and bold
To lofty goals we fly.
As we pursue quests still unsung,
Let this be our guiding star —
Forty-seven! Ever onward!
Fly on straight for goals afar!

The ECHO is a yearly publication edited by a staff of seniors for the purpose of recording the most interesting and important events of their four years in high school. The staff is chosen for their creative ability and scholastic achievement. The work involved is very interesting, and the experience is invaluable. The 1947 staff is particularly proud of this edition of the ECHO, the largest in the history of the school.

The PARROT, a six-page, weekly publication of the Chambersburg High School, is edited by the students themselves under the guidance of a faculty adviser. The staff members are chosen for their ability to write and to think. The best reward for staff membership is the valuable experience they receive in the field of journalism. The 1946-1947 staff has won commendation by publishing a twelve-page paper, the largest in the history of the school.

The PARROT is to a great extent a self-supporting publication, creating its own funds and paying its own expenses. It is a member of the Pennsylvania Scholastic Press Association, the National Scholastic Press Association, and the Columbia Scholastic Press Association.

The Student Advisory Council is composed of the class presidents and the representatives from the various home rooms and clubs. It acts as the students' voice in the governing of the school and tries to aid in the directing of all worthy activities.

Among the activities of the Student Advisory Council this year were the purchasing of records for use in the gymnasium at noon, the sponsoring of a dance, and the purchasing of the band arrangements of the school song. The officers and advisers of the Council attended the Tenth Annual Conference of the Pennsylvania Association of Student Participation in School Government. This was the first time for several years that Chambersburg attended this conference.

Closely associated with the Student Advisory Council are the two service clubs, the Traffic Squad and the Hall Squad. The Hall Squad maintains order in the halls, keeps the traffic moving on the stairs, and escorts visitors to their destination. The Traffic Squad protects pedestrians and bicyclists by directing traffic at dismissal. These two service clubs help to make our school a place where courtesy is practiced and where order is maintained.

The Rhythm Kids

Director—PHILIP YOUNG

This is the eleventh year of service this organization has given to the Chambersburg High School. Since the cost of hiring the Rhythm Kids is quite low, students are able to sponsor many dances. This year for the first time the Rhythm Kids broadcast their assembly program over radio station WCHA.

The Senior Class is well represented in this organization. Robert Shaffer, Brenton Harrison, Donald Hartranft, Charles Hinkle, Gerald Brown, and Donald Diffenderfer are all seniors whose talents will be greatly missed next year.

Aeronautics Course

Future Flyers and Craftsmen

Instructor—ROBERT J. BEARD

The Aeronautics Course is provided for boys who are interested in aeronautics either as an occupation or as a hobby. It is especially beneficial to those who are interested in military aviation. Part of the year is spent in building airplane models, including rubber band and gas models. This gives the student a better understanding of the structure and operation of airplanes. The remainder of the year is devoted to the study of aerodynamics, meteorology, and the more technical parts of aviation. Efforts have been made to add flying time to the present curriculum. This would provide each member with practical and useful training for future use. The course is elective and open only to juniors and seniors.

Jibes and Jokes

Lovemaking hasn't changed in 2,500 years. Greek maidens used to sit and listen to a lyre all evening, too.

Gene: "I've ordered the ring, dear. What would you like to have engraved on it?"

Melba (a publisher's daughter): "Well, 'all rights reserved' I think would be very nice."

When the world laughs at you, laugh back. It's just as funny as you are.

Mr. Biecher: "What's that you're working on?"

Blair Gettig: "A fluid that will dissolve anything."

Mr. Biecher: "That's a great idea. When you find it, what are you going to keep it in?"

The man who never thought anything of walking ten miles a day now has a grandson who never thinks of it either.

Dick: "I guess I'm only a little pebble in your life."

Shirley: "Well, if you feel that way about it, why don't you try becoming a little boulder?"

I hate the guys who criticize
And minimize the other guys
Whose enterprise has made them rise
Above the guys who criticize
And minimize the other guys.

Nature couldn't make us perfect, so she did the next best thing — she made us blind to our faults.

Mr. Gabler: "Did you give your wife a lecture on economy?"

Mr. Gills: "Yes."

Mr. Gabler: "Any results?"

Mr. Gills: "Yes, I gave up smoking."

A man wrapped up in himself makes a small parcel.

Hall Squad: "What is your name, occupation, and what are you charged with?"

Brenton H.: "My name is Sparks; I'm an electrician; and I'm charged with battery."

Hall Squad: "Put this guy in a dry cell."

Religion is insurance in this world against fire in the next, for which honesty is the best policy.

Mr. Shockey: "I just bought something for the one I love best. Guess what?"

Mrs. Shockey: "A box of cigars."

Dora: "I want to do some shopping tomorrow if the weather is favorable. What does the paper forecast say?"

Thornton: "Rain, hail, sleet, snow, thunder, lighting, and fierce winds."

WILSON COLLEGE

Wilson College students come from the four corners of the earth, but Wilson points with particular pride to the scores of them who have come from the Chambersburg High School.

If you follow their footsteps to Wilson, you will receive thorough academic training and wise guidance by a faculty interested in your individual development. You will have the fun of participating in exciting programs of sports, social events, and extra-curricular activities. You will enjoy, in addition, the privilege and pleasure of sharing your college experience day by day with your family.

Wilson will, as in the past, grant a scholarship of \$100 to all those young women graduates of the Chambersburg High School Class of 1947 who have stood on the honor roll and are admitted to the college as day students. The scholarship has a potential value of \$400, since it will be renewed throughout the college course if the recipient maintains satisfactory standing. Application should be made to the president or the registrar before July 1, 1947.

Further information may be obtained from the registrar.

C. H. S. graduates now attending Wilson:

Not for Years, Not for Life, but Forever

By MARGARET BOWER, '47

Another class will take our place,
And fill our seats in study hall.
The freshmen might be smaller;
Then again they might be tall.
They might even surpass us
In beauty, brain, and brawn;
But I bet they're going to miss us
When our class is really gone.

We did our share in music;
Athletics did us proud.
Then, too, we have the actors
Who can always draw a crowd;
And there's the witty fellow
With tongue that wags quite free
Who always has one laughing,
They'll miss us, don't you see?

We got a lot accomplished;
We worked with might and zeal.
When things were "tough," we did them
With our shoulder to the wheel.
Experience teaches best, you know,
So now we're tough as leather.
Like *Eversharp* we're guaranteed,
Not for years, not for life, but forever!

Entering the portals of C. H. S. one bright morning in September of 1944 was a group of excited freshmen. The upperclassmen shoved, not escorted, us up the center stairs! Our schedule cards were definitely worn out after the first month. The Hallowe'en Party, our social debut, was a howling success. Our first service to the school was sponsoring the library play.

Soon we were sophomores. We literally flew into classes this year, feeling like old hands at the game. Again our first social event was the Hallowe'en Party. However, the really gala event of the year was Color Day. We worked very hard to find a theme appropriate for our class, and when that day of days arrived, the auditorium rang with our song and cheer. It was a proud moment, too, when the seniors entrusted their colors, Blue and Gold, to us. Our representatives in the Queen's Court were Jane Evans and Betty Stake.

Sprightly juniors indeed this year! We winged through the gates of knowledge with no less grace than a dove. We had two big events scheduled for the year, Color Day and the Prom. On Color Day we presented the school with two illuminated electric clocks for use in the auditorium. Jane Evans was Maid of Honor in the Queen's Court, and Lois Minnich and Roberta Stone served as attendants. Our other big affair was the Prom. No one will ever be able to forget the gaiety of that occasion. A large hangar depicting the class theme of *Wings* was used as a setting for the orchestra. The remainder of the gymnasium was festive with spring flowers, balloons, and class emblems.

Finally we were seniors. Our first big undertaking was the ECHO. By the time we had the yearbook well under way, we received the good news that our class would be able to go to Washington. Immediately we started a number of projects to raise money. We held dances, sponsored the Operetta and the Band Concert, sold cards and decals, checked hats and coats at the President's Ball, and as the ECHO goes to press, we are still trying to make money. We look forward enthusiastically to the Washington trip and commencement. After that "it's adieu to C. H. S."

Dear Patsy,
I wish you
all the luck in the
